Course Title	Age	Dates	Times	Cost Choice
<b>Jumpstart Kindergarten</b> Get ready for kindergarten! This engaging and active class will introduce shared reading and writing, basic math skills, and phonics to children. A strong use of literature books will be used to teach basic concepts and readiness.	4-6	Monday-Thursday July 12-15	1:30-3:00 PM	175.00 <input type="checkbox"/>
<b>Class Full</b>				
<b>Keep It Up! (Reading, Writing and Math)</b> Summer is a great time to get kids to work on their basic skills. Students will be reading each night with you and using a journal to gain experience responding to what they read and think. Math problem solving skills taught in addition to basic calculations.	Grade 1-2	Monday-Thursday August 2-5	1:30-3:00 PM	175.00 <input type="checkbox"/>
<b>Keep It Up! (Reading, Writing, and Math)</b> Students read and respond in reading and writing journals based on short stories read in class and at home. Focus on questioning and what good readers do when they read. Great class for the reader and those looking to improve their comprehension and fluency.	Grade 3-4	Monday-Thursday August 2-5	3:30-5:00 PM	175.00 <input type="checkbox"/>
